As a reward: \$

In today's crowded world, it's not necessarily the product or service which helps a company to stand out, but it's the story.

A heritage accumulated over generations. It is the way a company innovates in response to challenges that differentiates it from competitors.

Moleskine helps companies tell their stories. Our notebooks are books to be written, our bags are containers to be filled and our writing instruments fuel to communicate.

We offer simple, thoughtfully designed, functional objects that can be turned into powerful communicators for the world's best brands.

Let's start telling your story together.

THE MOLESKINE STORY

The heir of the legendary notebook

THE ORIGINAL

The classic black notebook with ivory coloured pages and rounded corners is an object imbued with history and creativity. Beginning in France and used by cultural icons like Vincent van Gogh, Pablo Picasso, Ernest Hemingway and Bruce Chatwin, the Moleskine Notebook has upheld and continued this legacy.

LEGENDARY BEGINNINGS

The notebook that Bruce Chatwin called “moleskine” became increasingly scarce in the 1980s before disappearing from production completely. In 1997, a small Italian publisher brought the **legendary notebook** back to life, and with it an extraordinary tradition of creativity and self-expression.

PAPER EVOLVES

Today, the original Moleskine Notebook is part of a **family of versatile tools**, for ordinary and extraordinary journeys, to foster creativity and improve productivity. We offer objects such as bags, accessories, writing instruments, booklights and digital device covers. Our Moleskine Plus Collection bridges the gap between analog and digital processes. While our Moleskine Books Collection is an essential resource for today's creative professionals: inspiring books featuring leading figures from the worlds of architecture, design, graphic design and fashion.

THE MOLESKINE COMMUNITY

Thousands of creations are posted online regularly by **fans of Moleskine**. We also engage offline through partnerships with some of the world's key cultural leaders, in-store events and travelling exhibitions, such as Detour which supports the non-profit foundation *lettera27*.

THE COMPANY

Through an effective and efficient combination of hard channels, Moleskine is able to drive a sustainable long term growth. We are a global organization with an experienced leadership team, operating through a unique global brand.

AN INTERNATIONAL COMPANY

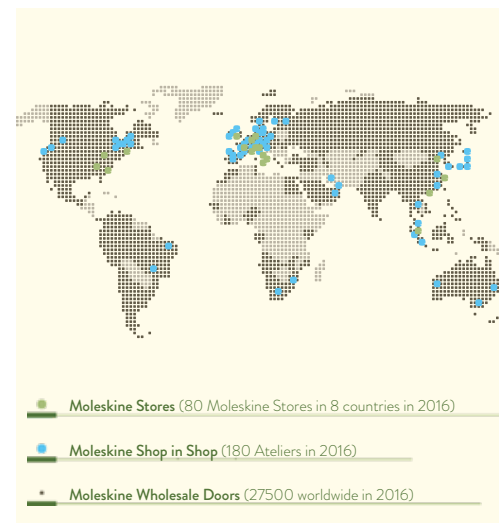

Distributed in over 114 countries in over 27,500 points of sale, our head office is in Milan, Italy, and the Moleskine Group includes the following wholly owned subsidiaries: Moleskine America, Moleskine Asia, Moleskine Shanghai and Moleskine Germany.

GLOBAL RETAIL MARKET

Moleskine operates over 80 of its own retail stores; spaces where the entire collection is available in one place. Strategically located in key transportation and shopping hubs in major cities like Paris, London, Berlin, New York, Shanghai, Tokyo and Milan, further openings are planned worldwide. Moleskine increases its high visibility within the retail market with displays in major retailers around the world, new partnerships and e-commerce platforms.

OUR CONTINUING GROWTH

Moleskine is a creative company enjoying continued growth. It counts over 450 employees and a vast network of partners and consultants.

AN ORIGINAL BRAND

A cultural icon

The international strength of the Moleskine brand comes from our continued connection to art, culture and the global creative community. It is an inclusive and premium journey brand that enables everyday life on the move.

The brand values are founded on these five pillars:

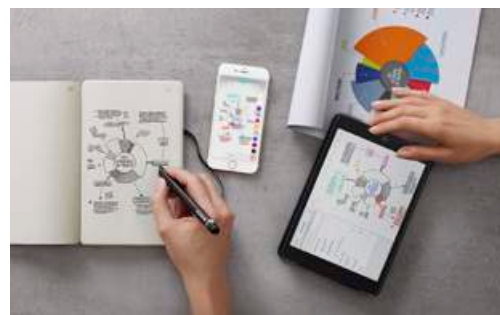

CULTURE

Moleskine is a **cultural icon**, a brand that tells a story. A Moleskine object connects the owner to a heritage in art, literature, cultural and geographical exploration.

MEMORY

Moleskine is a brand connected to the collection of memories, the **organization of time** and priorities in our working life and in leisure time.

PERSONAL IDENTITY

A Moleskine object becomes an **integral part of one's personality**. It is a basic, compact and intelligent accessory. Symbolic and practical design elements are combined, releasing energy and emotions collected over time.

IMAGINATION

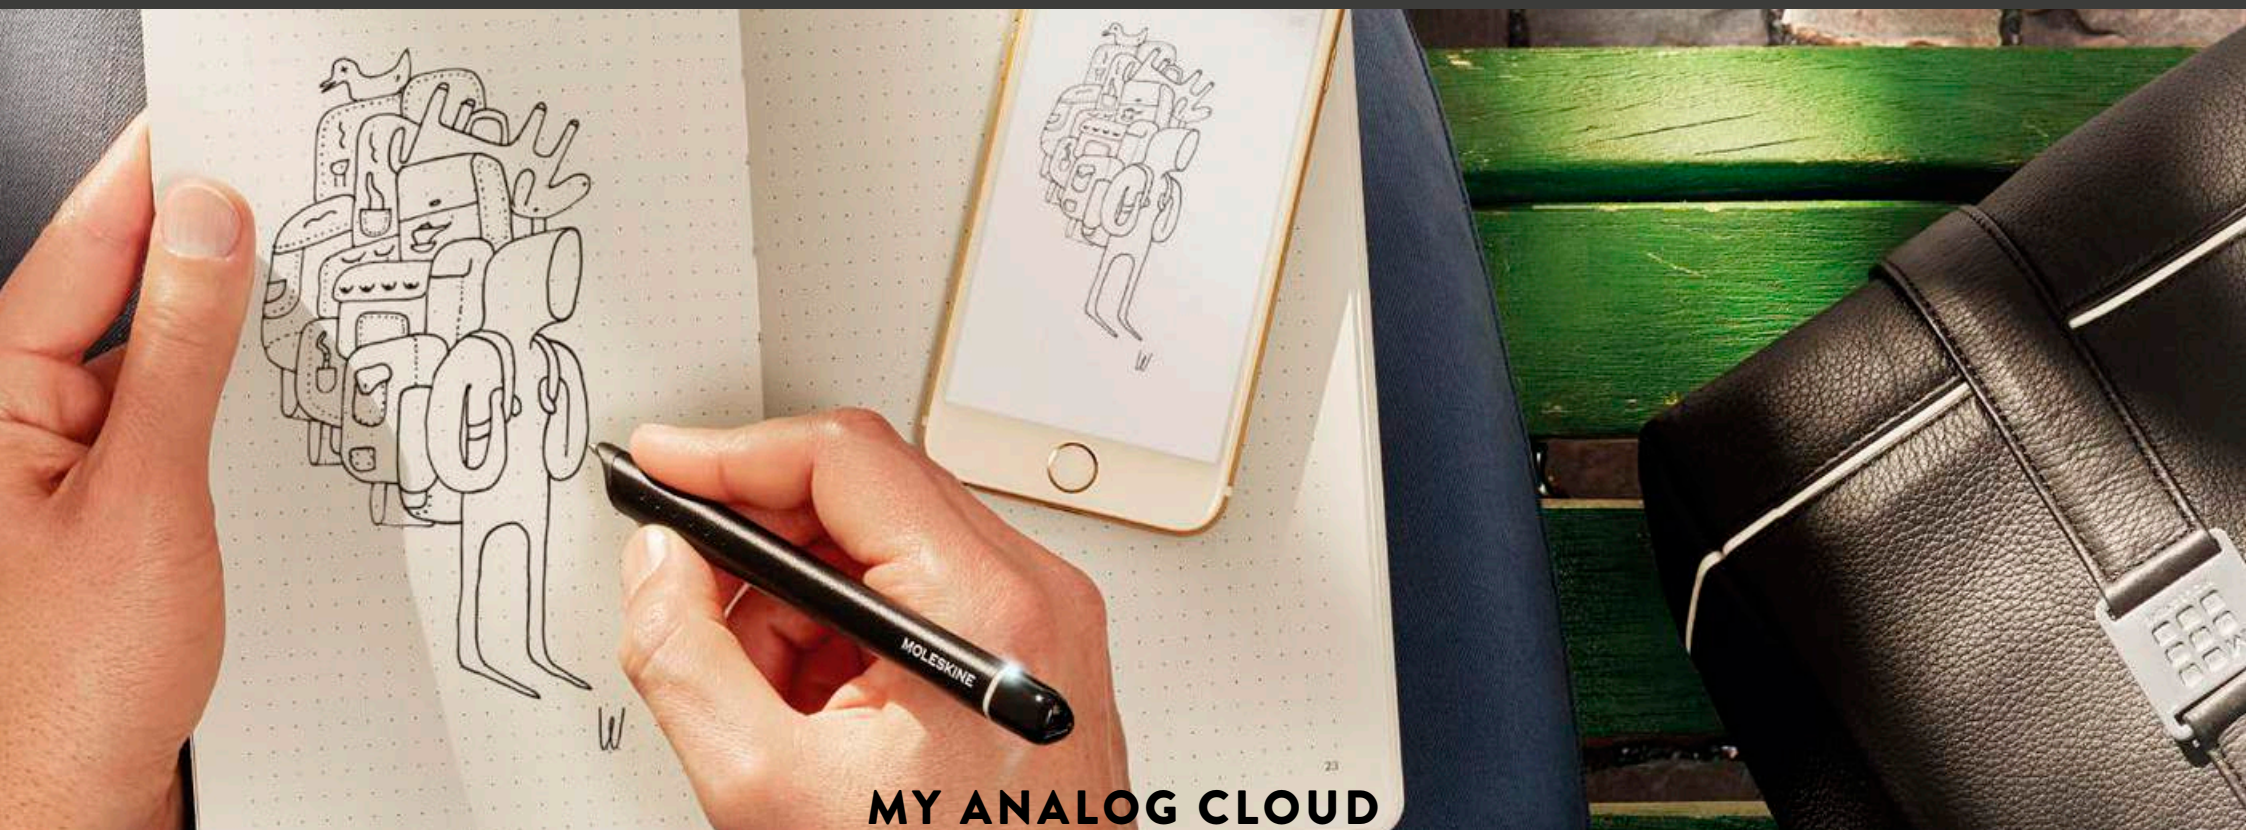

Moleskine collections are **open platforms for creativity**, trusty companions for meaningful existential experiences.

TRAVEL

Celebrating contemporary nomadism, Moleskine offers a collection of tools to accompany you on your ordinary and extraordinary journeys.

MY ANALOG CLOUD

Owning the space between analog and digital.

Moleskine continues to develop new collections based on the idea that our increasingly mobile identities require anchors in the form of objects that represent our personalities.

Moleskine objects are designed to complement each other not just in form but also in function. We call these toolkits 'analog clouds', as they are strongly tied to the digital world. An initial spark of creativity might be recorded in a notebook or Paper Tablet before being shared and developed online, eventually returning to paper in printed form. This process relies on a mix of analog and digital tools; one cannot exist without the other.

The entire range of Moleskine paper items, bags, cases, device accessories and print-on-demand services are all part of the brand's Analog Cloud. Consumers pick and choose the tools that embody their own individual identity and these objects are naturally charged with symbolic meaning.

We've designed an online game that can be played daily to generate a profile based on any given selection of essential objects. The unique mix of Moleskine tools, myCloud bag models and other objects selected by a user goes towards creating a tongue-in-cheek identity that can be printed or shared on social media. What we carry is who we are: are you an Analog Conquistador or an Illuminated Ecologist today? Find out and share.

Play the game to create your own Analog Cloud identity: moleskine.com/myanalogcloud

URBAN NOMADISM STORYLINE FOR 2018

A year of travelling consciously.

The Urban Nomadism storyline for 2018 inspires all our new collections. Urban Nomadism is a way of growing and moving forward by experiencing the city and living your urban life one meaningful moment at a time.

A year of travelling consciously means exploring objects, services and ideas that help you map your imagination, your passions and your identity.

Moleskine does this by providing an ecosystem of interconnected objects, both digital and physical, that enable urban travel and stimulate journeys of the mind.

Each one provides space for you to capture, store and organize thoughts, ideas and physical belongings as you move throughout your day, boosting creativity and productivity on the go, and blurring the boundary between analog and digital.

Every Company has a story let us tell yours.

In today's crowded world, it's not necessarily the product or service which helps a company to stand out, it's the story. A heritage accumulated over generations. It is the way a company innovates in response to challenges that differentiates it from its competitors. Moleskine helps companies tell their stories.

MOLESKINE CUSTOM EDITIONS

Our Custom Editions teams work worldwide with the world's leading cultural institutions, companies and agencies, **providing knowledge and assistance throughout the process.**

SELLING THROUGH STORYTELLING

It is always the right occasion to create a Moleskine Custom Edition, whether you would like to resell a customized unique object, organizing a **training event** for your employees, **gifting your clients, partners or associates**, communicating the **launch of a new product** or looking for ways to **strengthen the identity** of your brand.

WHY CHOOSE MOLESKINE?

Moleskine is an **iconic global brand** with a rich **cultural and artistic heritage** that is synonymous with classic-contemporary **design**. The objects that it creates are not only well crafted long lasting premium and beautiful gifts but also deeply tied to its values of personal identity, memory and imagination.

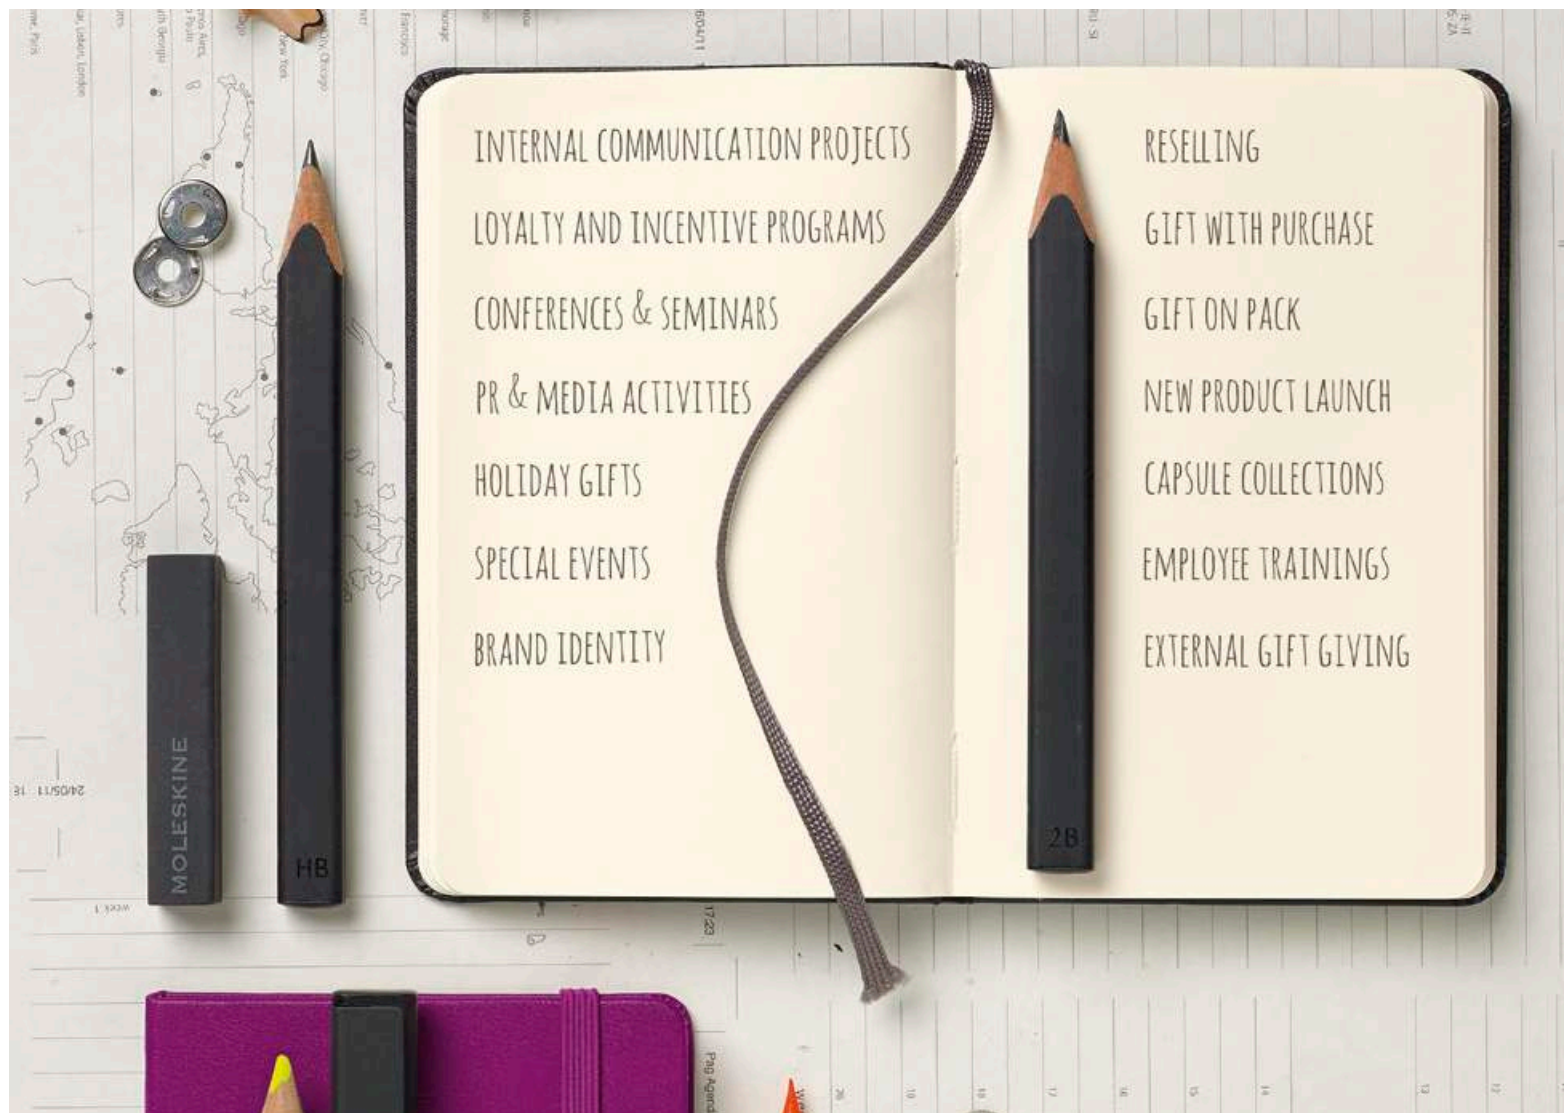

PERFECT OCCASIONS

There is always a perfect occasion for a Custom Edition.

Associate your Company with an iconic global brand, make your Company events even more memorable, bring an organization closer together, reward top clients or enhance training activities.

PERFECT OCCASIONS

RESELLING

The P.M. Koussmichoff tea house, today known as Kusmi Tea, marked their 150th anniversary with a custom edition Moleskine notebook that tells the story of the company. The scarlet red notebook cover features a stylized design of the St Petersburg skyline while details about the company and its history are included on the customized paper bands and the inside pages of the notebook. For this customization project Kusmi Tea chose a medium size notebook that will be sold in their physical and on-line store.

HOLIDAY GIFTS

The historical German wine estate Weingut Robert Weil has partnered with Moleskine to surprise its partners and clients with a special custom edition gift. This customized black notebook is enclosed in a special light blue packaging featuring the gold Robert Weil logo. This Custom Edition captures the company's vision thanks to its curated appeal and represents an ideal end of year gift for the company's clients and partners.

GIFT WITH PURCHASE

Nespresso has rewarded its most loyal customers with a Moleskine gift. The colorful and unmistakable Nespresso capsules decorate this limited edition in French. The classic large black soft cover Moleskine notebook in monochrome, with a coffee bean hidden behind the ivory paperband, is multicolored inside. Four fully customized pages with stylized drawings to present the full collection of Grand Cru Nespresso. The customized notebook was gifted to customers who purchased a Nespresso coffee machine.

SPECIAL EVENTS

The Academy Awards have partnered with Moleskine to celebrate the most prestigious of all cinematic prizes: the Oscars. This fully customized notebook has a white cover, silkscreened end papers, a golden logo on the cover and a golden paperband. Inside handwritten quotes by the previous year's Oscar winners decorate the pages which feature two different page layouts - dotted and plain as well as a special section for movie notes. The notebook was gifted to journalists and Oscar invitees.

TECHNICAL CONSIDERATIONS

1 2 3 4 5

There are many ways to apply a company identity to Moleskine objects, from classic printing techniques to the latest technological advances. You can discover more about each below.

Note: when printing with debossing and silkscreen, results may vary. Our team will help you make the best technical decision to communicate your story.

FOIL DEBOSSING

This technique is the same that has been used for thousands of years to decorate objects using gold leaf. It creates an indentation which can be felt and the result is striking and elegant. It is available for custom editions in a range of colours including metallic colours (commonly gold, silver, copper or bronze). Foil debossing works beautifully with one or more colours, but has some restrictions.

DIGITAL FOIL PRINTING

This technique produces an effect like foil debossing but without the indentation because it prints flat. This technique is mainly used to add names and initials to notebook covers.

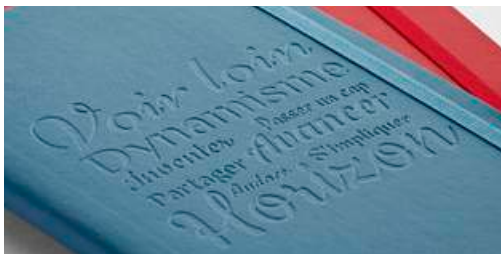

DIGITAL PRINTING

This is a newer technique that allows us to reproduce full colour text and images, except metallic colours, on a variety of surfaces. Despite having some restrictions, it is a great way to replicate more challenging images.

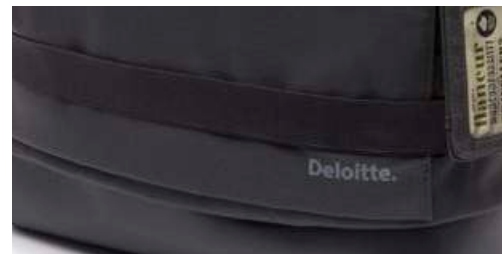

BLIND DEBOSSING

Like foil debossing, this technique creates a strong indentation which can be felt. No colour foil is added so the notebook retains its original colour, creating an elegant yet discreet effect.

SILKSCREEN

Also called serigraphy, this is one of the oldest printing methods still in use today and results in bright, eye-catching colours. It can replicate almost any colour and therefore we always use it in printing logos and company colours. Despite some technical restrictions, this method works well with from one to four colours.

OFFSET PRINTING

This technique has largely substituted letterpress and lithography due to its higher quality, faster turnover, and lower production costs. It is a paper printing technique that Moleskine uses for all of our paper add-ons such as inserts, paper-bands, flyers and gift boxes. It is available only on paper add-ons and ad hoc projects.

For your most precious thoughts

TIME NOTEBOOKS

FOR YOUR MOST PRECIOUS THOUGHTS

This collection is a contemporary reinterpretation of 18th and 19th century book design. Each one features a fully customizable raw cardboard cover, with three different color themes to choose from. Time Notebooks are 90% paper: the natural simplicity of their tactile covers encloses 100 g/m² pages that leave you free to express ideas, thoughts and plans with the writing instrument of your choice. Design features such as the elastic closure, rounded corners and 'in case of loss' notice give each notebook an essential Moleskine look and feel.

FEATURES

- hard cardboard cover, rounded corners, elastic closure
- expandable inner pocket in cardboard and cloth
- ivory-coloured 100 g/m² acid-free paper
- elastic closure and inner pocket fabric match spine colour

SMART WRITING SET

The legendary way to write, the latest way to curate and share.

Watch your ideas travel off the page and evolve on screen with the new generation Moleskine Paper Tablet, Pen+ and companion app. Enjoy the hands-on immediacy of putting pen to paper, teamed with all the advantages of digital creativity. NCode™ technology embedded within each page of the Paper Tablet allows the Pen+ to capture each pen stroke as you capture your thoughts. The app then smoothly transfers your freehand notes from page to screen in real time, giving you the possibility to digitize text, edit, organize, share and bring your ideas to life. Simply tap the envelope icon on the page to share instantly. Naturally analog, conveniently digital, very Moleskine.

Digitize

Digitize your handwritten notes.
15 languages recognized.

Organize, archive and search

Use tags to sort your notes.
Digitize text and then search using keywords and sync with Google Drive and Evernote clouds.

Record

Your strokes are simultaneously captured and can be paired with real-time audio.

Replay

Replay your synced notes and voice recordings.

Share

Share ideas via email by tapping the envelope icon at the top of the page. Send your notes as PDF, image, vector or text file format.

Edit and highlight

Change the colour of your notes and highlight key ideas.

Works with Moleskine Notes app.
Moleskine Notes app is available
free on Apple App Store and Google
Play Store

PAPER TABLET

1 2

The Paper Tablet gives you the freedom to capture your ideas by hand on paper and simultaneously benefit from all the advantages of digital creativity. Invisible NCoded™ technology embedded within each page enables the Moleskine Pen+ to recognize where it is within the notebook and to transfer all your freehand notes from page to screen in real time via the Moleskine Notes app. You can then digitally transcribe, edit, organize and share handwritten notes and sketches, for seamless integration between paper and cloud. Distinctively rounded pages project beyond the cover to reflect the shape and look of a digital tablet, while resistant 100 g/m² paper provides the perfect surface for either writing or drawing. Choose between dotted, ruled or plain pages depending on your unique professional and creative needs. The Moleskine Pen+ recognizes not only differently numbered Paper Tablets, but also different covers, page layouts and sizes – allowing you to switch between notebooks and seamlessly develop a variety of ideas on the move, on the page and on screen.

FEATURES

- Paper Tablet with special paper designed to work with Pen+
- ivory-coloured 100 g/m² acid-free paper
- hard cover
- expandable inner pocket in cardboard
- elastic closure
- front endpaper with 'in case of loss' notice

EVERNOTE COLLECTION

Sync your notes across devices with the Evernote Smart Notebook designed by Moleskine.

JOT DOWN YOUR THOUGHTS ON PAPER

Write, sketch or draw in the specially designed Evernote collection of notebooks.

GET EVERNOTE AND SAVE EVERYTHING

Take a photo of any page of the Evernote notebook with the app's Document Camera and it instantly becomes digital, so that you can save it, search it and share it with the world.

FIND THINGS FAST

Once in Evernote, you can search for your handwritten notes by keyword, tag, or just by visually browsing.

GO PREMIUM

Evernote Premium offers a number of added features to make your newly-digitized handwritten content more accessible, searchable and shareable. Take your notes offline on any device, enjoy greater sharing options, a bigger monthly upload allowance, and more.

GET SET UP:

- go to go.evernote.com/moleskine and enter the code you find in your Evernote notebook
- create your new Evernote account
- download, install and launch Evernote on your computer
- install Evernote on your phone
- install the Evernote Web Clipper on your browser

Works with Evernote app.

CREATIVE CLOUD CONNECTED COLLECTION

Take your hand-drawn sketches from paper to vector in a few short steps.

With this Moleskine Smart Notebook and your Adobe ID membership, you can instantly transform paper drawings into workable digital files through the Moleskine Creative Cloud connected app. Download free on App Store (only for iPhone) and start bringing your ideas to life, wherever and whenever you want.

CREATE WITHOUT BOUNDARIES

Instantly turn hand-drawn sketches into fully workable digital files.

DRAW

Draw on any page in the notebook.

CAPTURE

Download and open the Moleskine Creative Cloud connected app on your iPhone and take a picture of your drawing. The app uses the special page markings to help process and optimize the image as a JPG file before converting it into an SVG file.

SYNC & REFINE

Sync with Adobe Creative Cloud to store both file formats in your Creative Cloud Assets folder. Both files can be opened and edited in Adobe Illustrator® CC and Adobe Photoshop® CC.

Download Creative Cloud
connected app.

Creative Cloud connected app is
available free on Apple App Store
